

28th September 2023

Phonics, Reading and Handwriting Meeting – Tuesday 10th October 2022 @ 6pm

Dear Parents/Carers

We would like to invite you to a meeting where we can share strategies that will help you to support your child with phonics; learning the letter sounds, blending these to read and segmenting these to spell. This workshop is open to all parents in **Reception, and Year 1** and will be held in the main hall from 6pm.

We have been developing our approach to teaching phonics and reading and would like to share strategies that you can practice at home to support your child's progress with the tricky skill of reading and writing.

Teaching staff will share how we teach new sounds in our daily phonics lessons and how the children apply this new knowledge in their reading and writing. At the meeting, we will give you some resources that will enable you to practice and embed the learning with your child at home and share our new digital online reading system.

We look forward to meeting you and sharing our ideas.

Yours sincerely

EYFS and Year 1 team

Headteacher: Mrs J Simpkins, B.Ed NPQH
