

The Stay Home Superheroes

 Once upon a time there was a big,

 busy world. In this big, busy world,

 there lived a little boy called Tim.

 Tim loved going to school to play with his

 friends, going to the park with his mummy

 and going swimming with his daddy.

But one day, everything started to change. Tim

heard on the news that there was a BIG

problem. This problem was so big that

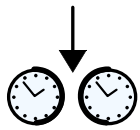

it started to spread over the whole world. All

the grown ups were talking about it. All the children

were talking about it. In fact, everyone was

talking about it. Everyone started to feel worried

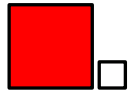

about the Big problem.

Soon,

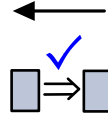

the

Big

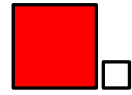

problem

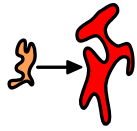

caused

some

big

changes.

Daddy

stopped

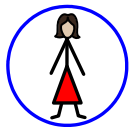

going to

work.

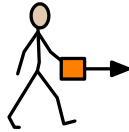

Then

mummy

stopped

taking

Tim

to

the

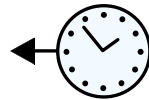

park.

Then

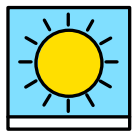

school

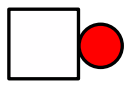

was

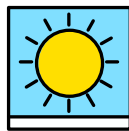

cancelled.

Day

by

day

the

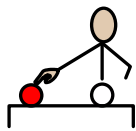

big,

busy

world

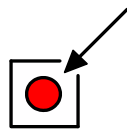

that

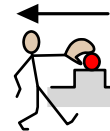

Tim

lived

in

got

quieter

and

quieter

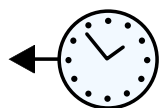

and

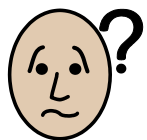

quieter.

Tim

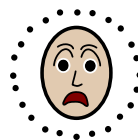

was

confused.

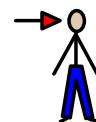

He

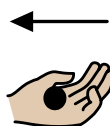

felt scared

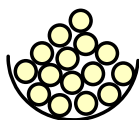

too.

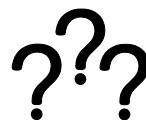

He

had

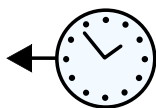

lots of

questions.

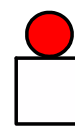

What

was

going

on?

Would

it

be

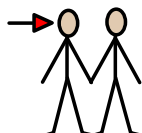

okay?

How

could

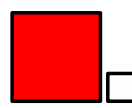

they

stop

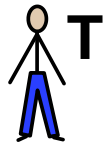

the

Big

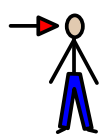

problem?

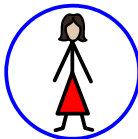

Tim

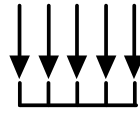

asked

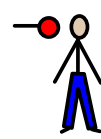

him

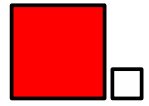

mummy

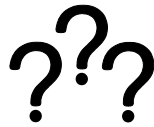

all of

his

big

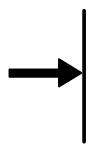

questions.

"It's

okay

to

be

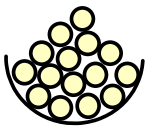

scared

and

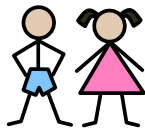

worried,

lots of

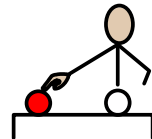

other

children

feel

that

way,

even

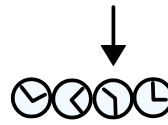

adults

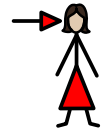

feel scared

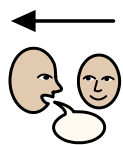

too

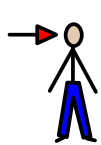

sometimes"

she

told

him

and

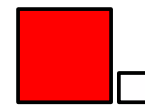

gave

him

a

BIG

hug.

"But all of the very best, cleverest people in the

world are working hard to fix the Big problem

right now" she explained.

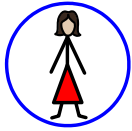

This made Tim feel a little bit better. Surely

the cleverest people in the world could find a

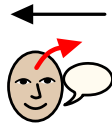

way to fix it!

But it was such a Big problem and he

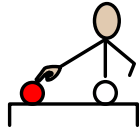

was still scared. He had to do something.

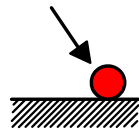

Mummy

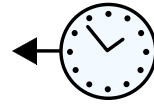

explained

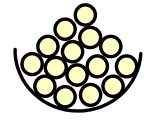

that

there

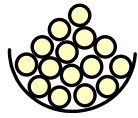

were

lots

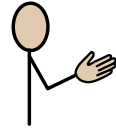

and

lots of

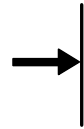

special

helpers

working hard

to

save

the

world

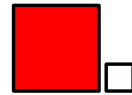

and

stop

the

Big

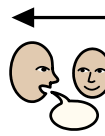

problem.

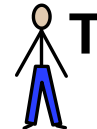

"Like

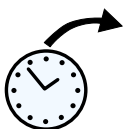

Superheroes?"

said

Tim?"

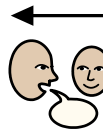

"Just

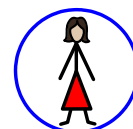

like

Superheroes"

said

mummy

smiling.

Tim

wanted to

be

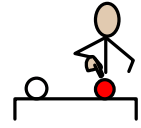

a

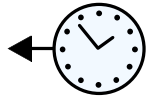

superhero

too.

This

was

his

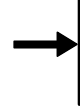

chance!

Super

Tim

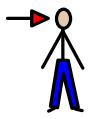

to

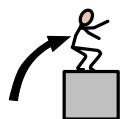

the

rescue!

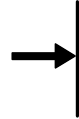

He

jumped up,

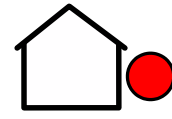

ready

to

run

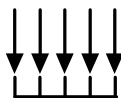

outside

and

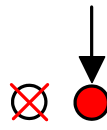

join

all of

the

other

superheroes

to

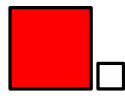

fight

off

the

Big

problem

and

save

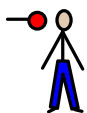

the

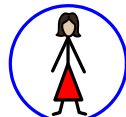

world,

but

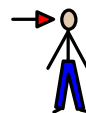

his

mummy

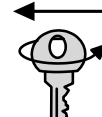

stopped

him

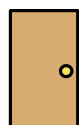

and

locked

the

door.

"Hey!

How

can

I

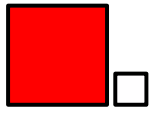

help

fight

the

Big

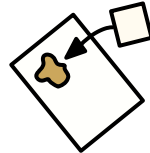

problem

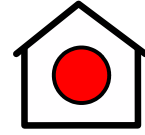

if

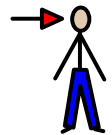

I'm

stuck

inside?"

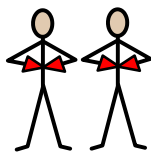

he

asked.

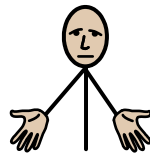

"Well

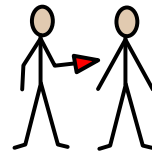

we

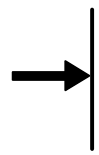

DO

need

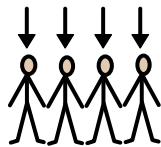

you

to

help.

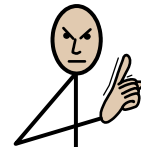

Everyone

is

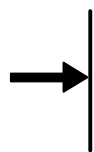

going to

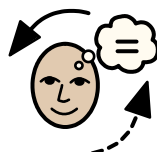

have to

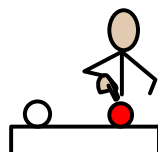

help

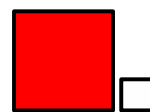

to

solve

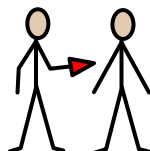

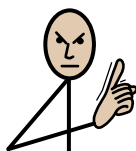

this

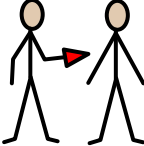

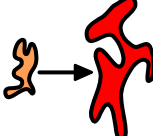

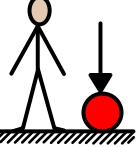

Big

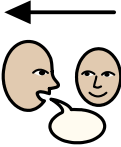

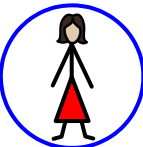

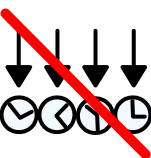

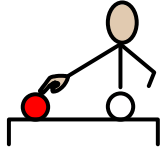

problem."

 =    **a**
"You are going to have to do a

    =
very special job indeed. You are

  **a**  
going to become a stay Home

    
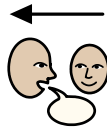

Superhero!" said mummy. Tim had

     
never heard of THAT kind of

 
superhero before!

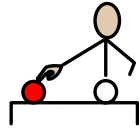

Mummy

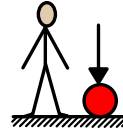

told

him

that

Stay

Home

Superheroes

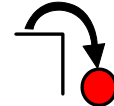

could

help

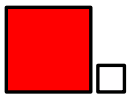

fight

off

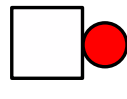

the

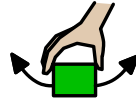

Big

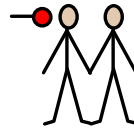

problem

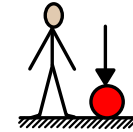

by

using

their

Stay

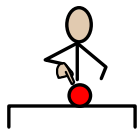

Home

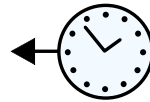

Superpowers.

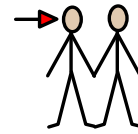

But

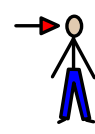

what

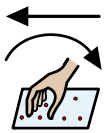

were

they?

He

tried

so

hard,

but

he

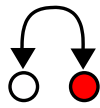

didn't have

super

strength

or

super

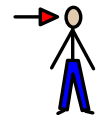

speed.

In

fact,

he

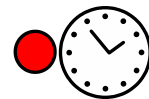

felt

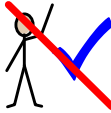

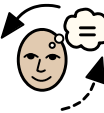

exactly

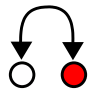

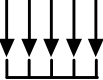

the same as

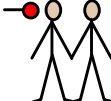

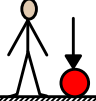

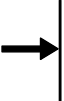

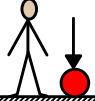

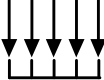

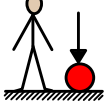

before!

       
"The Big problem can't be solved with super

       
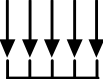

strength or super speed. The Big problem will

       
only stop growing if all of the new Superheroes

       
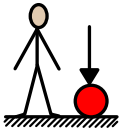

use their Stay Home Superpower to stay at home.

       
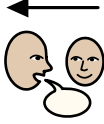

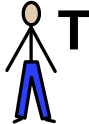

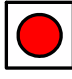

In fact, if all the new Stay Home

     
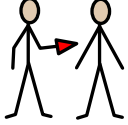

Superheroes work together, the Big problem will

       
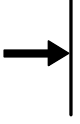

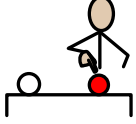

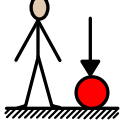

get smaller and smaller and smaller, every single

     
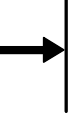

day, until it goes away!" mummy explained.

   =   
"But staying home is a boring superpower!"

    
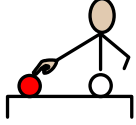

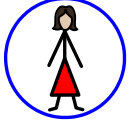

said Tim in a grump.

     
"Boring? No way! You have the superpower

    +   =
to make this fun! And staying home is

      
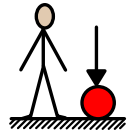

how YOU can help to save the whole

 -    !  .. ->
world - there's nothing more powerful than

 that!"  replied  mummy.

"Just

staying

home

and

having

fun

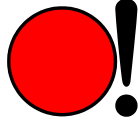

could

save

the

whole

world?

And

I

would

be

a

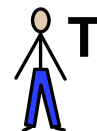

real-life

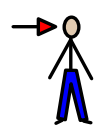

superhero?"

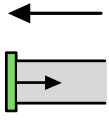

asked

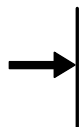

Tim.

He

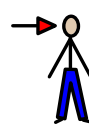

started

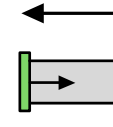

to

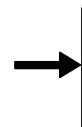

feel excited.

He

started

to

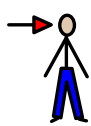

feel

powerful

too!

He

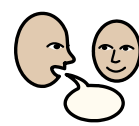

couldn't

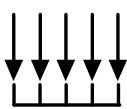

wait

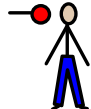

to

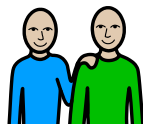

tell

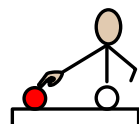

all

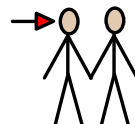

his

friends

that

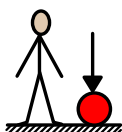

they

could

be

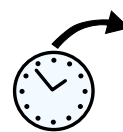

Stay

Home

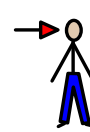

Superheroes

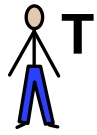

just

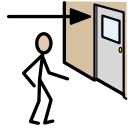

like

him!

Tim

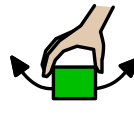

got to

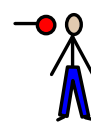

work

quickly,

using

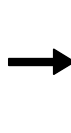

his

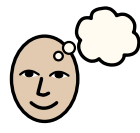

Superhero

creativity

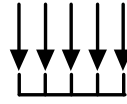

to

think

of

all

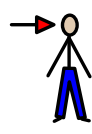

the

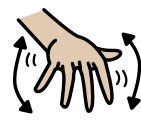

fun

things

he

could

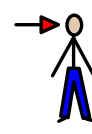

do

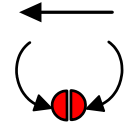

at

home.

He

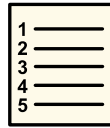

made

a

long

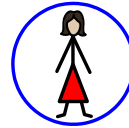

list

with

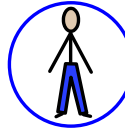

his

mummy

+

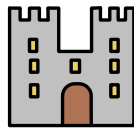

and

daddy:

pillow

forts,

cooking,

games,

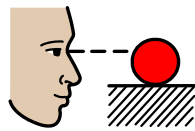

dancing,

puppet shows,

singing,

watching

films

+

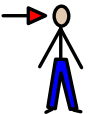

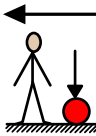

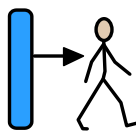

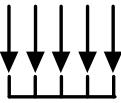

and

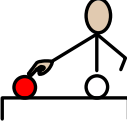

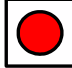

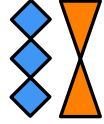

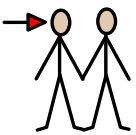

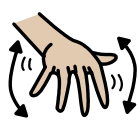

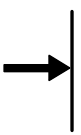

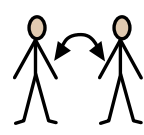

MORE!

     
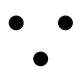

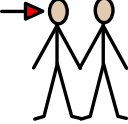

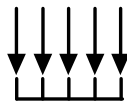

Even better, Tim found out he could still

      
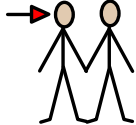

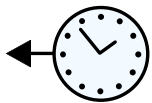

play in the garden and go outside

       
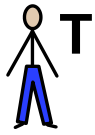

too, as long as he stayed away from all

     
the superheroes that lived in different

      
houses. They could wave to each other and

      
wink, because they all knew the special

   
job they were doing!

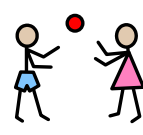

Tim

did

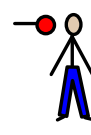

miss

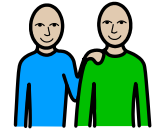

playing

with

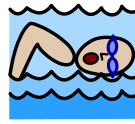

his

friends,

going

swimming

and

to

the

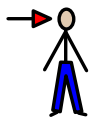

park.

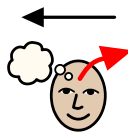

But

then

he

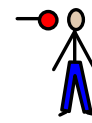

remembered

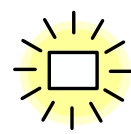

how

important

his

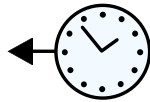

new

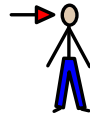

Superhero

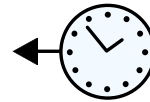

job

was.

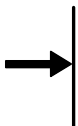

He

was

helping

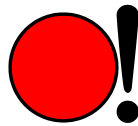

to

save

the

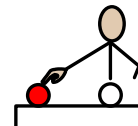

whole

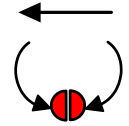

world

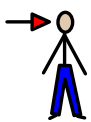

and

that

made

him

feel

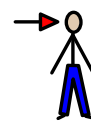

so

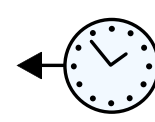

good

inside.

He

was

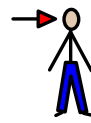

very

proud

of

himself.

Then

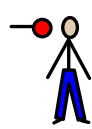

he

fired

up

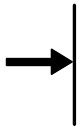

his

superpowers

ready

to

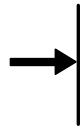

find

something

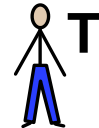

fun

to

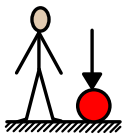

do.

Tim

the

Stay

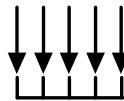

Home

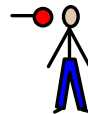

Superhero

and

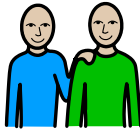

all of

his

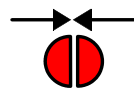

superhero

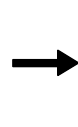

friends

worked hard

together

to

help

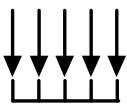

save

the

world,

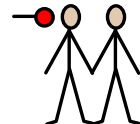

all

without

leaving

their

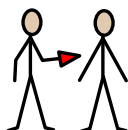

homes.

And

now

you

know,

you can

be

a

superhero

too!
