

# Reception Spring 1 - Frozen

## PRIME AREA: Personal, Social and Emotional Development

I work well in a small group or pair.

I can co-operate with my friends and resolve disagreements.

I can talk about how I am feeling.

## PRIME AREA: Communication and Language

I can switch my attention from one task to another.

I can use language in depth to talk about my ideas.

I am learning to listen for longer periods of time.

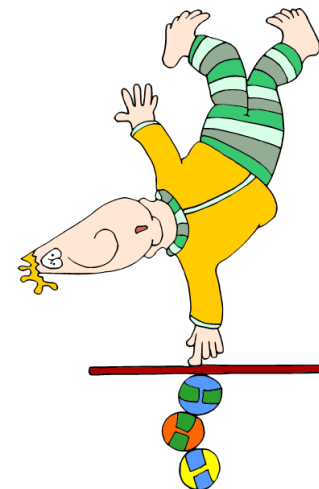

## PRIME AREA: Physical Development

I can write using a tripod grip the majority of the time.

I am starting to write recognisable letters that are formed correctly.

I am able to perform a simple sequence of moves.

# Reception Spring 1 : Frozen

## SPECIFIC AREA: Expressive Arts

I can describe a model that I have made.

I can use a range of one handed tools to create the effect that I want.

I can use different musical instruments.

## SPECIFIC AREA: Understanding the world

I am developing a greater awareness of the wider world.

I am able to talk about living things and the natural world.

I can listen to stories about the past and understand that life was different then.

## SPECIFIC AREA: Number

I am developing an understanding of the numbers beyond 5.

I can make and talk about patterns that I have made.

I can use mathematical language to talk about size and shape.

## SPECIFIC AREA: Literacy

I understand that stories have a beginning a middle and an end.

I can read books that have three letter words in them.

I can segment and blend sounds to spell a range of words.
